

What's happening this term?

Science

In our Science sessions, we will be learning all about different animals, including humans. We will be looking closely at different habitats and why certain animals live in each habitat. We will be developing our understanding of how we record our results and use these in our conclusions.

Maths

In Maths this term, we will be continuing with our MEP Maths Programme. We will be continuing to reinforce number facts, recalling multiplication and division facts, solving problems, shape and measure.
How can you help?
Please help your child practise and recall 2, 5 and 10 times tables at speed.

English

In English, we will be working incredibly hard to develop our phonics, reading and writing skills. We will be exploring a variety of fiction, non-fiction and poetry.
How can you help?
Please listen to your child read at home. Please encourage them to sound out, blend unknown words and answer questions about what they have read.

PE/Games

PE this term focuses on developing our dance skills. Our games session will be based on the FUNdamental skills. Year 1 and Year 2 will be focusing on developing our ball bounce and leap skills.

Computing

In Computing this term, we will be exploring programming. We will be using Beebots to practise our debugging skills.

Project Question:

How do we treasure the greatest kingdom of all?

C.L.A.S.S Project:

How could you treasure an animal?

R.E.

In R.E. we will be exploring aspects of life on earth which are reflected in the pattern of religious and other practices and festivals.

Art and Design

We will be exploring the facial features of different animals. We will be designing and creating animal masks using a variety of textures and paint.

Humanities

Our project this term will be researching significant people from history including Charles Darwin. We will also be developing our understanding of timelines and placing events and people in chronological order.

Music

This term in music, we will be following the Charanga musical school scheme of work. We will be developing our skills by looking at a range of music from around the world.

PSHE

In PSHE, we will be continuing to use the Jigsaw scheme of work and this term we will be focusing on Dreams and Goals and Healthy Me.

We look forward to sharing in your child's learning journey - Together we can

Year: 1 & 2
Term: 1 & 2

Dear Parents/Carers of Pupils in Year 1 and Year 2,

We hope you all have a lovely Christmas holiday and that the pupils enjoy our new exciting launches planned for the term ahead. To help you to support your child in preparation for the new term, we are sending out the Spring Terms Work Overview so that you can be one step ahead when it comes to your child's learning.

A few other things to remember:
