

What's happening this term?

Year Group: 4

Science

This term in science we will be focusing on

Animals (including humans) and **Living things and their habitats**.

We will also be practising our scientific enquiry skills, by planning and evaluating practical experiments.

Maths

In Maths we will be continuing to follow the MEP program. This term we will be revisiting key number facts such as place value, as well as beginning to work on fractions, decimals and shape.

How can you help?

As always, by supporting your child with their weekly homework and times tables.

English

In English this term, we will be basing our writing around our Science learning and write in a number of different genres.

How can you help?

Listening to your child read; asking them key questions and finding evidence from the text to support their answers.

PE/Games

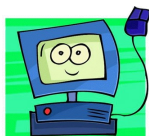

PE this term focuses on developing our run skill using athletics and game based activities.

We will also be focusing on gym and Dance with Exim Dance.

Computing

In Computing this term, we will be using a range of media to record our learning and create a website to help other children learn about our project.

Project Question:

How can being a Learning Scientist help us to deepen our understanding?

R.E.

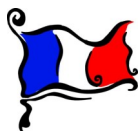

In R.E. this term, we will be focusing on Faiths and the Arts. We will focus on some of the ways in which Music, Art and Drama are used to express aspects of faith. Our main focus will be on

ART

In Art this term, we will be investigating print making and clay modelling inspired by famous artists and our project/history focuses this term.

French

In French, we will be learning how to count in French as well as telling the time.

We will use our existing knowledge to continue having conversations in French.

Project

Our project this term is focusing on the ways we learn, why we learn in different ways and how we can SHARE this learning.

We will be using the Six Strategies for Effective Learning.

Music

This term in music, we will be learning how to use our voices as an instrument.

We will be investigating changes in tempo, pitch and rhythm to perfect a tune.

PSHE

In PSHE, we will be following the jigsaw scheme. We will be looking at the topics **Dreams and Goals** as well as **Healthy Me**. We will cover having a positive attitude to try and achieve our goals and how to have and maintain a healthy lifestyle.

We look forward to sharing in your child's learning journey - 'Together we can'

Terms 3 & 4

Dear Parents/Carers of Pupils in Year 4,

Firstly, welcome back!

We hope you had a lovely Christmas break and are feeling ready for the year ahead.

To help you to support your child even more, we are sending out the Spring term's work overview, so that you can be one step ahead when it comes to your child's learning.
A few other things to remember:

Full and correct P.E. kits must be in school **at all times** please.

Home learning is given out on a Friday and due in by the following Friday.

We ask that children try and read every night at home – please remember to sign their diaries
