Dear Parents, Carers and Children,

Welcome to your Mayflower Summer Reading Challenge pack. We know that reading is so very important and so we would like to give you lots of opportunities to read over the holidays. We have created a pack for you called "Around the World in 20 Days". You will find that there are 20 stories, from 20 different countries for you to read. There is also a map to help you to plot the stories that you have read. We have also included pages at the back of the story pack, where you can illustrate your favourite stories.

What do I need to do?

Read the stories from around the world, you can read them by yourself or together with an adult, friends and family. Use the world map to track the stories that you have read. When you have read each story, please sign the box below which matches the story.

What happens when I have read all of the stories?

All the children that have read the stories, will work together to produce a reading music soundtrack and then the children that have completed all of the stories, will be invited to a dance workshop with dance professionals, creating a dance to our "Mayflower Makes Reading Rock" soundtrack.

How do I access the challenges?

As we are trying to save trees and use less paper, you will receive a Parent Mail with the stories. They will also be available on the Academy website www.mayfloweracademy.org under "Community Reading". You will also find examples of children reading the stories on the website, with some helpful "Top Tips" for reading at home. If you would like a paper copy, please speak to the main reception desk or you are welcome to access our Community Printer in the main reception area, where you can print the stories. You do need to pay for any printing from the Community Printer, but it is much cheaper than printing elsewhere!

When do I have to have read the stories by?

Please hand in your grid sheet (with the signatures) to your class teacher or the main reception desk by Friday 7th September 2018.

We hope that you enjoy the stories and have a lovely holiday!

Mrs Vollans and the Reading Team

Please sign the boxes when you have read each story.

United Kingdom	Norway	Poland	Turkey	Pakistan
Russia	Japan	China	India	Philippines
Australia	South Africa	Somalia	Africa	Brazil
Mexico	United States of America	Spain	Canada	Greenland
