

Notices

- The children started the academic year looking tremendously smart in their new uniform. Please can we remind you that foot wear must be either **black school shoes or black trainers**. Please make sure all jumpers are clearly **labelled** for the new term.
- All children should be bringing in their **book bags and reading journals daily**. Please can we remind you that you must read 5 times a week (and record this) in order to be awarded a star reader.
- All children need to be able to use **coat zips and coat hangers** independently. Please can you practise these skills at home?

Diary Dates

Date/Time	Event
Mon 06/01/20	Non Pupil Day

Mon 24/02/20	First Day of term

EYFS Team

RP

Miss Rose, Mrs Keast and Miss Smyth.

RS

Mrs Parsons and Miss Scannell.

Nursery

Miss Shepherd, Mrs Jones,

EYFS

Spring 2020

Our Project Question is...

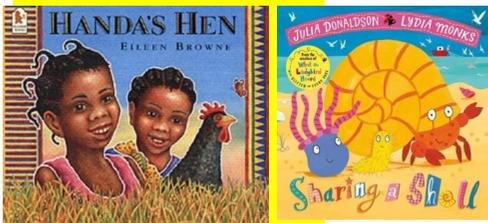

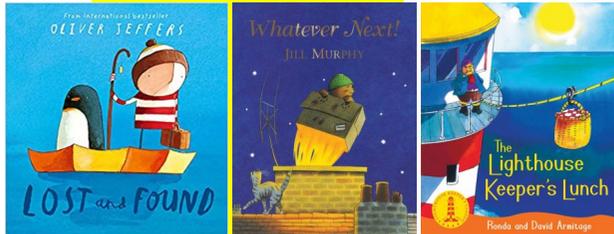

*Let's sculpt
our world...*

Let's sculpt our world...

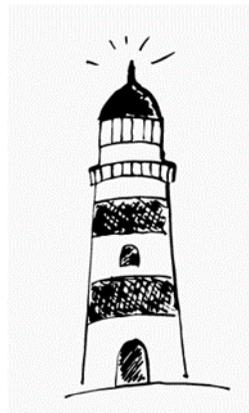

One of our project drivers this term is **Geography.**

We will be further developing our sense of place in the world by learning more about where we live, in particular Plymouth. We will be exploring some similarities and differences between Plymouth and other places in the world through 5 carefully chosen stories.

Our other project driver this term is **Art.**

We will be exploring sculpture this term where we will be developing our manipulating skills in order to achieve a planned effect using a variety of media including ice, junk modelling, papermache, straw and mud.

How can you support?

Parent Workshops

We have a variety of free parent and carer workshops planned throughout Spring term. Please sign up if you are able to attend these sessions.

Home Learning Activities

Home learning opportunities are sent out every Friday. Please help your child to complete these tasks.

Reading

Please share a story with your child every night and listen to them read their school book 5 times a week. Your child's school book is tailored to their reading ability so please be patient with them.

Please encourage them to recognise each letter, segment each sound and blend them together to form a word. Most pupils should be secure with their phase 2 letters and sounds by now.

Tapestry

Please continue to share your wonderful home learning opportunities and adventures with us! The children love sharing these with their peers!
