

Generating your own sums:

Roll the dice to generate each digit.

Use a pack of cards.

Take out the Kings, Queens, Jacks & 10s.

Each card is then used as a new digit.

Use a digit spinner.

Click on this picture to go to the spinner.

Create your own.

Generate your own digits.

Make sure you use a range of digits.

Random number generator

Ranging between 1 – 9
