

## Generating your own 3 digit $\div$ 1 digit sums:

Roll the dice to generate each digit.

Use a pack of cards.

Take out the Kings, Queens, Jacks & 10s.

Each card is then used as a new digit.

Use a digit spinner.

Click on this picture to go to the spinner.

Create your own.

Generate your own digits.

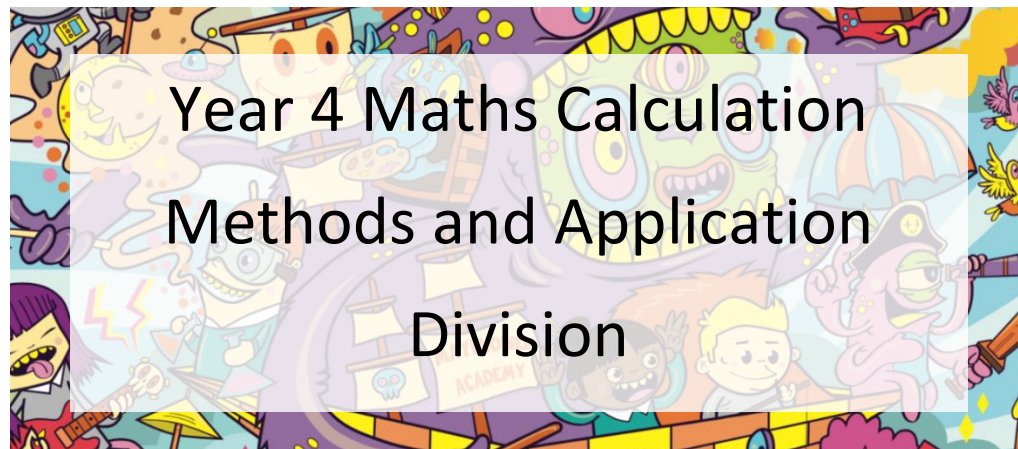

Make sure you use a range of digits.

Random number generator

Ranging between 1 – 9
