

Would you rather live in
a place that's always
hot or a place that's
always cold?

If I won the
lottery then...

If I could travel in
space then...

What do you think
life would be like
without electricity?

What if people
lived in glass
houses?

What would life be
like without
supermarkets?

Should petrol be
less expensive?

Music
downloads
should be free.

What if everyone
spoke the same
language?

What if the
weekend was five
days long?

We should do all
our school work on
computers

What if
everything
was free?

If I was head
teacher I
would...

If I was prime
minister I
would...

Chips should
be banned.

If I was asked to
write a book I
would write
about...

School
should start
at 8am.

Animals
shouldn't be
used in circuses.

SAT's should
be banned.

Clever
people are
born clever

Everyone must
learn to swim.

Children must
respect their
elders.

If I was home
alone I would...

Sport should not be
shown on TV.

People who
swear should be
fined.

What if there was
only one religion?

What if sweets
were given away
for free?

Corporal
punishment should
be brought back.

What if everyone
had the same
coloured skin?

Children should
choose how much
their teachers get
paid.

Children should
get a cash prize for
getting 100%
attendance.

People should pass
a test to keep an
animal.

Books should be
free.

Why do we
recycle?

What if video
games had never
been invented?

Children should be
allowed on
facebook.

Football players
deserve to get
paid more than
doctors.

No one uses Maths
after they finish
school.

Homework should
be optional.

Literacy is more
important than
Maths.

Parents should be
fined if their child
doesn't do their
homework.

We should only do
Literacy and Maths
at school.

All children should
walk to school.

What if there were
no police?

Would you rather
lose your sense of
smell or sight?

Dance classes
should be
compulsory at
primary school.

What if you could
only see in black
and white?

What if school
wasn't
compulsory?

What if there were
no cars?

What if there was
no night time?
